WET WEATHER POLICY

The following policy will be invoked at morning and lunch breaks when it is deemed to wet for students to play outside.

The Principal, in conjunction with the Deputy, will decide when the Wet Weather Policy is to be in place.

When the Wet Weather policy is in place students are not to play outside for the duration of that break regardless of a break in the weather.

Staff and students will be informed via the PA system about enacting the Wet Weather Policy.

Students are not permitted to play on the verandahs.
