## EAST HAMILTON HILL PRIMARY SCHOOL

### FROM THE PRINCIPAL

#### JUMPS, THROWS AND FLAGS

What a fabulous day we had on Monday – the first of our carnival days where students engaged with long jumps, throws and flag relay races. The sportsmanship, support for factions and peers were standout features that our students should be incredibly proud of. Our focus for whole school sporting events is participation, personal best efforts and acknowledging the collective achievements of peers as well and individuals. It was lovely to see so many families join us for the day! Thank you to Mrs Lucy Martin for coordinating the day, and additionally special thanks to our P&C for the delicious bacon and egg rolls!

#### FACTION CARNIVAL- FRIDAY 10 SEPTEMBER

This Friday is our main carnival date and we are looking forward to a sea of colour and our school spirit shining through, not only with our students but our whole community! Our students are excited and ready for the day that includes a full schedule of events, seeing all students engaged for maximum periods of time. Active participation and personal best efforts will again be our focus. Parents are reminded to stay within the designated spectator areas in the middle of the oval and not approach the bays during the day. Equally, all students will need to remain in the faction bays throughout the day, only joining family members during break times. It is important to remind our community that dogs are not permitted on the oval. The judging of events is carefully managed and I ask parents to be respectful of these processes and outcomes.

#### MRS MUSTO

The Education Award finalists for 2021 have been recently announced and although Mrs Lauren Musto did not progress through to the final four, I would like to acknowledge the outstanding work she is doing within our school that prompted the nomination for Education Assistant of the Year Award 2021. As the leader of the PBS team she has played an essential role in the journey of implementation and the continuous progression of this approach throughout the school. Her work, in partnership with teachers, to support student engagement, intervention and individual student learning, to ensure students thrive, make her a valued asset to East Hamilton Hill PS.

On this note, I would also like to acknowledge the outstanding work of all our Education Assistants and Special Needs Education Assistants, who go above and beyond every single day to support the learning, growth and development of our students. They are an incredible team!

#### SWIMMING LESSONS

Next term we commence our 8-day series of school swimming lessons commencing on Wednesday 13 October. Please make sure you have completed and returned the permission notes and payment prior to the end of this term. Swimming lessons form part of the Health and Physical Education essential curriculum and all students expected to attend.

**OPEN NIGHT**

The weather was less than kind, however the atmosphere around the school was bright last Wednesday night as we welcomed families into classrooms to share in the journey of learning so far in 2021. It was beautiful to see so many shining eyes as students proudly showed their work and explained their learning to parents and family members. Thank you to our wonderful staff for ensuring this event was a memorable one and thank you to everyone who was able to attend.

**NOONGAR LANGUAGE**

Mrs Mippy would like to share our focus Noongar vocabulary for the fortnight with the community:

*Nop* (boy); and

*Yok* (girl)

We are looking out for students integrating these words into their conversational vocabulary.

*Michelle Nash*

**Positive Behaviour Support at EHHPS**

This term, our behaviour focus has been **Respect**. At EHHPS we define **Respect** as "Show regard, thought or consideration"

It has been a very exciting term for all three of our factions as they have each had phenomenal success in reaching the tops of their token tubes so early on! The students have already enjoyed rewards of 'Tech Time', 'Park Play' and by far the favourite of them all 'Splat the Teacher'! **Bunuru**, **Makuru** and **Djeran** have had a second faction meeting to decide the next few rewards they are working towards.

**Bunuru** are currently working towards 'Cook it Up'

**Djeran** are currently working towards an 'Ice Cream Treat'

**Makuru** are currently working towards an 'Ice Cream Treat'

Keep working hard everyone, and remember to display appropriate **CARE** values.
