VOLUNTARY CONTRIBUTIONS AND CHARGES 2022

Dear Parents,

East Hamilton Hill Primary School's School Board has endorsed the schedule of Contributions and Charges for 2022. The schedule is broken into sections and will allow you to calculate all costs that your child may incur throughout the school year.

Voluntary Contributions

The total amount of contributions parents are being asked to pay has been set at \$40.00 per student, with a maximum family contribution of \$120.00. Money collected will be used to supplement school expenditure in curriculum learning areas. The contributions add to the quality of our teaching and learning programs, which will be maximised when each family makes their contribution.

Total 2022 Voluntary Contributions per student: \$40.00

There are a number of ways this voluntary contribution may be paid:

- with your child's 'Personal Items list',
- via the school office by cash,
- paid by direct deposit into the school bank account using your child's surname as the reference:
BSB: 066 144
Bank account number: 00900056

Charges for Extra Cost, Optional Components

A breakdown of estimated charges for your child's participation in excursions, incursions, activities etc. for 2022 have been included in the table on the following page. You will be asked to make payment for each activity as it approaches. Children will only attend if payment is made prior to the activity. The amounts indicated on the schedule represent the maximum charged per student for all scheduled activities throughout 2022.

Please note:

1. Not all children in the year level are involved in all activities, e.g. interschool sporting teams, music, PEAC etc.
2. \$60 is the maximum any student will pay throughout the school year for school excursions, incursions and special events – many classes will not be required to expend that amount.
3. PEAC charges are dependent upon the courses chosen which range from \$10-\$110 each and will be no more than \$300 total for the year.
4. Specific learning activities are available to all students, but conditional on a payment being made e.g. incursions and excursions.

Fundraising

During the year, the P&C and/or individual classes organise fundraising projects such as Discos, Fun Days and Social events to support the priorities in the school's plan or charities the school supports. Associated costs for involvement in these events are not scheduled in the charges table as they are run by the P&C.

Items for Personal Use

We have negotiated competitive prices for the materials on the list; however, you are not obliged to use our supplier. If you wish to order your personal items from our recommended supplier, please follow the instructions on the form. Your child will need to have the listed materials each school day and it may be necessary to replace some items, such as pens or pencils, throughout the year.

Yours sincerely,
Michelle Nash
