EAST HAMILTON HILL PRIMARY SCHOOL

FROM THE PRINCIPAL

STAFFING UPDATES

I would like to introduce Mrs Kerrie Watson to the community. Kerrie will be joining our staff on a permanent basis from the start of next year as our School Psychologist one day per week. It is the first time we as a school we have appointed our own school psychologist and Kerrie will be a valuable addition to our Student Services team.

Kerrie has a background in education and is looking forward to joining us in 2022!

A huge congratulations to Miss Holly Craig who has earned publishing contracts with two international publishers recently. Miss Craig will be a household name and we are so incredibly proud! Her passion, dedication and commitment to achieving her career goals is absolutely inspiring and a great example to our students. Miss Craig will still be with us one day per week in 2022.

Congratulations to Miss Zsafia Fellman and her partner on the safe, early arrival of a baby boy last Friday. The family are all doing well and adjusting to a new way of life.

Welcome to the world Soli!

We have a few staffing changes coming in 2022. Mrs Helen Bedwood is taking leave for the year to spend time with her family here and overseas. We wish her well and look forward to her return in 2023!

Sadly, Mr Ben Lea will be leaving us at the end of the term. Mr Lea has worked across two schools in a Science Specialist role for a number of years and will be taking up the opportunity to increase his teaching time at his other school. While we congratulate him on this opportunity he will be greatly missed at East Hamilton Hill PS. Mr Lea is an inspiring educator and we thank him for the incredible work he has done over the years, sparking joy and wonder in the area of Science. Thank you Mr Lea!

We currently have two positions advertised to fill for the 2022 school year. We will be recruiting a fulltime teacher and Science specialist for two days per week. I look forward to sharing these updates with you all soon.

CARE COMMUNITY BREAKFAST

Tomorrow morning we will have our second CARE Community Breakfast for the year on the oval from 8:00-8:30am. This is a wonderful community event and we look forward to welcoming you all to join us with some amazing breakfast options available for our students. Thank you to the PBS team for coordinating this event and to the generous donations from a number of businesses. It will be the perfect start to the day!

PBS REWARDS

Last week all three factions celebrated the achievement of token milestones with their identified rewards. There was some fun times out on the oval and heaps of fun in the quadrangle as two factions 'creamed the teachers'.

Well done to all our students for working together, demonstrating our CARE values consistently and earning rewards!

END OF YEAR CONCERT AND BOOK AWARD PRESENTATIONS

It is hard to believe but we are nearly at the end of the school year, and what a wonderful year it has been! We will be celebrating 2021 with our concert next Tuesday evening in the quadrangle. Parents and families are invited to join us for an evening of class dance performances and the presentation of Book Awards for Pre-Primary through to Year 5. The P&C are running a 'burger bar' on the night with pre-orders essential. Please return your forms by this Friday to secure your burger. Alternatively, families are encouraged to pack a picnic and enjoy the evening! Please note: this is a school event no alcohol or dogs are permitted on site.

YEAR 6 STUDENTS

As the year rapidly comes to an end it is a special time for our Year 6 cohort. Recently they have engaged in high school transition days and are currently hard at work with Graduation preparations. They have shown exceptional leadership throughout the year and we are looking forward to celebrating them completing their primary school journey in the final weeks of school.

NOONGAR LANGUAGE

Mrs Mippy would like to share our latest focus Noongar vocabulary for the fortnight with the school community.

Kedala - Day

Kedalak - Night

We will be listening out for students integrating these words into their conversational vocabulary.
