Number 5 | Term 1 | Week 10 | 6 April 2022

EAST HAMILTON HILL PRIMARY SCHOOL

FROM THE PRINCIPAL

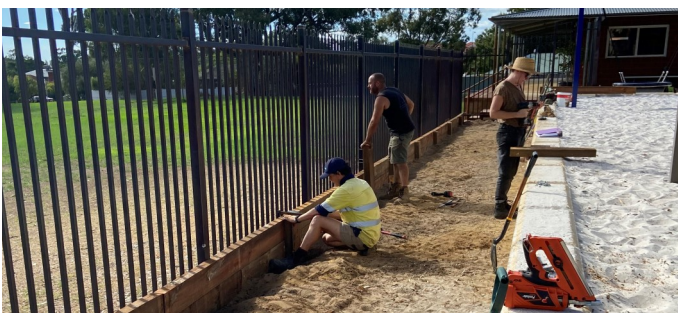

Staffing Updates

I would like to congratulate Mrs Rebekah Rowcliffe on successfully being appointed to a new school in Rockingham for the remainder of the school year. Mrs Rowcliffe is a highly experienced, outstanding teacher who will continue to inspire learning at her new school. While we are very sorry to see her go, we congratulate her on this opportunity and wish her all the very best. Room 15 welcomes Miss Mackenzie Kay full-time for the remainder of the year from the start of Term 2.

Next term we also welcome Mrs Natalie Cattle to our staff as a Special Needs Education Assistant in Kindergarten. Mr Craig Barker will take on the Science Specialist role from Week 3 next term while Mrs Mary-Ellen Sheridan is on maternity leave.

Sensory Garden

Work has begun on the P&C funded Sensory Garden in the Early Childhood area. This garden aims to provide students with new play opportunities that will engage all senses. The garden is being constructed within the previously un-utilised space between the sandpit and the fence and when complete will be an incredible feature within the playground. The P&C have generously donated \$4250.00 towards the project, with other donations coming from Bunnings, local small businesses and a huge amount of volunteer labour time. Thank you to the staff and community for the countless hours of planning and coordination to get this project started. We look forward to sharing the finished photos with you soon!

Sustainability News

Earlier in the term our Sustainability Committee ran a competition for students to design stickers for our bins to promote our recycling and waste-wise focus. There were some incredible entries with amazing designs that communicated the importance of recycling as well as the types of rubbish that can be recycled in a school and what items need to go in the general rubbish bins. The four winning designs were printed as full-size bin stickers and look amazing!

Swimming Lessons

Over the last two weeks students have been participating in the reduced schedule of 5 sessions of swimming lessons at the North Lake Senior Campus pool. Despite the weather being cooler and the water temperature cooler still, the students have done an amazing job and should be congratulated for their efforts, persistence and achievements. The swimming instructors have highly praised our students and everyone has represented our school proudly. Well done!

School Board Position

The School Board has one parent position still open and we are seeking nomination to fill this. This is a 3-year tenure and any parent interested in this position is asked to please contact me via email: Michelle.nash@education.wa.edu.au. If you would like more information about what a position on the School Board involves, please contact the office on 9487 9300.

Year 6 Camp Fundraiser Raffle Major Prize

Next term tickets will be going home for our 2022 Year 6 Camp Fundraiser with the major prize pack of a Segway electric scooter, helmet, and lock, valued at \$1350.00. This year our Year 6 students will be staying at the Swan Valley Adventure Centre in Term 4 and all proceeds from ticket sales will go towards subsidising the overall cost of the 3-day camp. Keep an eye out for these!

Holidays

These holidays we continue to have some work and maintenance happening in the school grounds. If you see any unusual activity over the holidays, please contact:

School Watch on 1800 177 777.

We wish all our families a wonderful, safe and healthy holiday break! It has been quite the unique Term 1 and we look forward to welcoming everyone back for the start of Term 2 on Tuesday 26 April! Happy holidays everyone!
