EAST HAMILTON HILL PRIMARY SCHOOL

FROM THE PRINCIPAL

ARRIVAL TIMES

Classroom doors open at 8:30am and students are expected to be at school at this time to ensure they are prepared and ready for the day ahead, as well as participating fully in the morning programs, including reading before the siren. This time is valuable and all students are encouraged to arrive at school at approximately 8:20am so they can enter classrooms promptly at 8:30am.

SEMESTER 1 REPORTS

Teaching staff are currently completing the final touches to Semester 1 Reports for all students. These reports will be sent out to parents via email link on Monday 27 June for Pre-Primary to Year 6. The email link has a time-limited accessibility so it is important to download and save a copy of your child's report for future reference or printing. If you have changed your email address recently, please contact the front office to update your details on our system.

Kindergarten students will receive hard-copy reports, sent home with your child in Week 10.

If you have any questions regarding your child's report, academic achievement, effort, or progress, please make a time to meet with your child's teacher to discuss in more detail.

I would like to acknowledge the considerable amount of time, effort and energy that our teachers have put into producing these comprehensive reports over the term. I encourage you to share these report grades and comments with your child and celebrate the successes, efforts and improvements.

NOONGAR CHOIR

Our amazing Noongar Choir has been asked to perform at the opening morning of this year's annual WA Primary Principals' Association conference next term at Crown. This is an incredible opportunity for our students to perform to a crowd of up to 500 people, including the Minister for Education and the Director General. I look forward to sharing the experience back with the community late in Term 3 through photos and a videorecording of the performance. Thank you to Mrs Mippy and Mrs Cookson for the dedicated work they do with the choir – they do us proud!

CAR PARK

Thank you to all parents who took a few minutes to respond to our Car Park Survey regarding the changes we have been trialling this year. Based on the feedback received, these changes will remain in place and we will seek to have some cross-walk markings added in the Bradbury Road school entrances to allow students to access the school safely.

With the wet weather well and truly here, more parents opt to drive to and from school and this results in increased pressures for space and movement around the outside of the school during peak times. Thank you for your patience, cooperation and consideration during these busy times.

ICT USER AGREEMENT

Next term students in Pre-Primary to Year 6 will be bringing home an updated ICT User Agreement form that outlines our school's approach and requirements for acceptable usage of technology while at school, in line with Department of Education requirements. This agreement will need to be signed by each student and a parent, with teachers talking through the acceptable usage behaviours and expectations with students.

WORLD ENVIRONMENT DAY INCURSION

Last Week our Pre-Primary and Year 2/3 students engaged in a hands-on incursion for World Environment Day that saw lots of learning and discovery about various animals and insects and the importance of protecting our environment so these animals can thrive. There was an abundance of live critters that students had the opportunity to handle and explore up close!

EHHPS P&C AND CANTEEN NEWS

Dear School community,

We wish to advise you of an incoming price increase for menu items at Mereny-AP EHHPS Canteen, commencing week one of Term 3.

Whilst we are aware that households may be struggling with the current cost of living, we have unfortunately felt these pressures within the canteen as well. Factors including:

- The rise of costs of ingredients, particularly fresh and perishable items
- Suppliers passing on the increase in costs, including fuel increases
- Fees from My School Connect Online Program and
- The pressures of COVID, have all attributed to this decision.

We would like to also point out that there has not been an increase in prices for at least the last few years. We thank you for your understanding and invite any feedback or concerns to be emailed to easthamiltonhillcanteen@gmail.com.

We hope that these increases do not deter you from using this much valued service. Without the continued support of the community, we may need to reduce opening hours back to one day a week.

Regards,

East Hamilton Hill PS Canteen
