EAST HAMILTON HILL PRIMARY SCHOOL

FROM THE PRINCIPAL

OPEN NIGHT

Last Wednesday we loved sharing learning with families as students proudly showcased all they have been doing in classes this year. Thank you to the parents and family members who were able to join us and participate in this event, and of course to the staff and students for bringing the 'Wow!'. Our students have been working with perseverance throughout the year and it is always wonderful for them to see how far they have come and the progress they are continuing to make in their journey of learning.

Success does not look the same for all students, but every student can be successful in their learning.

MAKURU REWARD

Last week Makuru had waited so very patiently for the weather to be kind enough for their Scavenger Hunt reward. This was a fun session of seeking hidden items and enjoying some time together as a faction. Today all factions have met and decided on their next line up of rewards they will each be working towards next term. Students earn CARE tokens for their factions when they display our values through the agreed behaviours on our school matrix, and the collection houses in the front office track each faction's progress towards milestone rewards.

TERM 4 EVENTS

Term 4 is always the busiest of the year - we have events such as Year 6 camp, Dance, End of Year Concert, Zoo excursions, transition events, Graduation, and a number of incursions, just to name a few. Attached is the planner identifying all the happenings next term and important dates for calendars. We are looking forward a fabulous final term of 2022!

CHANGES TO NEWSLETTER

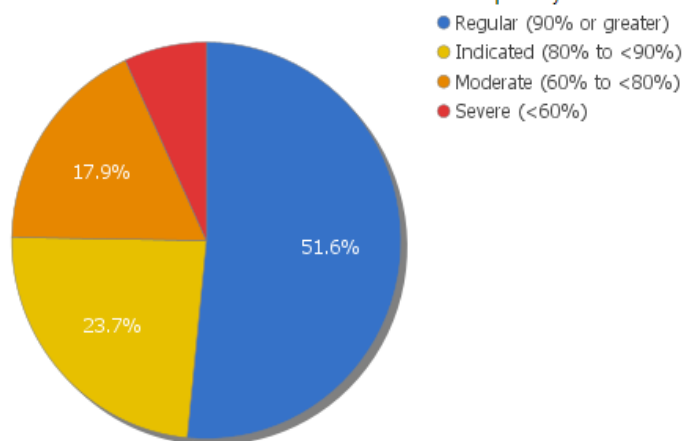

In Term 4 we are trialling an alternative structure to newsletters. Replacing the fortnightly editions we will have three newsletters published in Weeks 4, 7 and 10, with a 'Welcome Back' brief edition in Week 1.

REGULAR ATTENDANCE REWARDS AND ACKNOWLEDGEMENTS

Today students who have attended school regularly throughout Term 3 were acknowledged with a certificate and a special reward treat! Regular attendance is a rate of 90% and above, and our school improvement target is to have 75% of our students in this category. Every day matters to learning, and students who attend school regularly maximise their opportunities to progress and consolidate understandings.

Next term all students with regular attendance at the end of the term will go into a raffle draw to win a scooter!

PARKING

Parents are reminded to please only park in marked bays during drop off and pick up times. We have had a number of cars parking in access ways that need to be kept clear. Parking is available in the Redmond and Bradbury Road carparks as well as the bays down near the oval. Kiss and drop runs through the looped zone in front of the canteen.

CLASSROOM RENOVATIONS

During the holiday break, classrooms 13-18 will have some renovations occurring with new cupboards and boards being installed on the back wall of each. This is the first stage of classroom upgrades and will have an impact on the functionality and aesthetics of the rooms and we look forward to sharing pictures of these with the community.

STAFFING CHANGES

Next term we will be welcoming a new Deputy Principal to the school as Mrs Grady Scheiblehner takes up her new position as part of the Graduate Coaching program. We will be sharing news of the successful applicant during the holidays via our school Facebook page.

HOLIDAYS

Finally, I wish all our students, families and staff a wonderfully relaxing and safe holiday break. Thank you for a great term and we look forward to welcoming everyone back on Monday 10 October.
