## EAST HAMILTON HILL PRIMARY SCHOOL

## FROM THE PRINCIPAL

### HATS

The warmer weather is slowly arriving so it is a good opportunity to ensure all students have the correct uniform each day, including a school hat. Our sun-safe policy requires students to wear a hat when learning and playing outside all year round, but this is particularly important during the summer months. The uniform shop have stock available if a new hat is required.

### CAMP

Our Year 6 students attended The Swan Valley Adventure Centre for their camp experience last week and had an incredibly memorable time. The students represented our school to the highest standard with the staff acknowledging their cooperation, team-spirit, politeness and overall behaviour. The group were well-fed and had a full schedule of activities that kept them busy for the 3 days! Thank you to Miss Simmons, Mrs Jones, Mr Myers and Esther for taking such good care of our students and enjoying the experience with them.

Next year we will be returning to this venue and parents of current Year 5 students are invited to attend an information session on Tuesday 29 November at 5:00pm. (see pictures above and on the last page of this newsletter)

### PARENT SURVEY

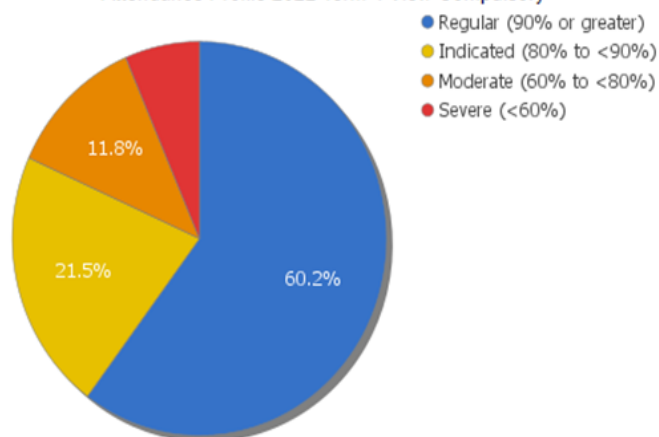

The Parent Opinion Survey for 2022 is now open and can be accessed via the link below. Your feedback and participation in this survey is greatly appreciated as we seek to ensure we provide the highest quality education in a safe and welcoming learning environment. There are 10 questions in total and you will need to progress all the way to the end in order for the responses to be available for us to view at the end of the survey window. The survey is available until Friday 25 November. Thank you for taking a few minutes to share your thoughts with us!

### ATTENDANCE

We have seen a positive change in regular attendance this term and it is great to see more students at school each and every day. Regular attendance is a rate of 90% and above, and our school improvement target is to have 75% of our students in this category. Every day matters to learning, and students who attend school regularly maximise their opportunities to progress and consolidate understandings. This term all students with regular attendance at the end of the term will go into a raffle draw to win a scooter!

Voluntary Contribution payments can be done as part of the order, ticking this off the to-do list for next year! These payments are important funds to the school and we thank all parents for ensuring these are paid to the school promptly.
