Open Night

Inspired Learning • Inspired Future

Last Wednesday night we celebrated the incredible work of our students and staff with our annual Open Night. Despite the terrible weather, we enjoyed our greatest turn out to date. Thank you to our school community for showing your support for our school. The relationship between school and home is vital in the long-term success of our students and we truly value this relationship. I would also like to thank our amazing staff for their outstanding work, not just on Open Night but every single day. Their commitment to the education and personal development of each student is inspiring and we are incredibly lucky to have such dedicated and talented staff at East Hamilton Hill Primary School.

Thank You

Year 6 Camp Fundraising

Inspired Learning • Inspired Future

Year 6 camp is always an exciting time for students yet can be a financially stressful time for families. We always endeavour to create a camp that is affordable for our families and fun for our students. This year a group of focused Year 6 parents have worked together to raise funds to reduce the cost of this year's camp. During Open Night they ran a fantastic raffle and fed the community with a sausage sizzle. These events, along with a sausage sizzle at Bunnings earlier in the year, have raised an incredible **\$4950!** We have also been fortunate enough to receive donations from Hon Simone McGurk and a member of our school community, bringing the total funds raised to **\$6797!** This is an outstanding effort by all people involved and has ensured that every Year 6 student can attend this important life event.

Faction Rewards

Inspired Learning • Inspired Future

Our students have been working very hard to demonstrate our CARE values and earn their faction reward. Bunuru enjoyed a free dress day yesterday and today Makuru were excited to bring in their favourite item from home to play with for the day. Students earn CARE tokens for their factions when they display our values through the agreed behaviours on our school matrix, and the collection houses in the front office track each faction's progress towards milestone rewards.

**CONGRATULATIONS
WELL DONE!**

The Men's Shed

Inspired Learning • Inspired Future

BILLY CARTS

Our Year 6 students have spent the past term working with volunteers from the Fremantle Men's Shed, building billy carts in preparation for a race next term. It has been a fantastic opportunity for our students and they have built a wonderful relationship with the volunteers who supported them. We thank the Fremantle Men's Shed and Bruce Winfield (Mr Grumpy) for driving the bus every week. Check out these great photos of our Pre-Primary students enjoying a ride on the billy carts!

BIRD HOUSES

Last week our Year 6's also completed their birdhouses. Their execution and creativity with this project, has been nothing short of amazing. Have a look at some of their final products below.

Term 4 Events

Inspired Learning • Inspired Future

Term 4 is always the busiest of the year - we have events such as Year 6 camp, Dance, End of Year Concert, Scitech excursions, transition events, and Graduation, just to name a few. Attached is the planner identifying all the happenings next term and important dates for calendars. We are looking forward a fabulous final term of 2023!

**DON'T
FORGET**

Regular Attendance Rewards and Acknowledgements

Inspired Learning • Inspired Future

Today students who have attended school regularly throughout Term 3 were acknowledged with a certificate and a special reward treat! Regular attendance is a rate of 90% and above, and our school improvement target is to have 75% of our students in this category. Every day matters to learning, and students who attend school regularly maximise their opportunities to progress and consolidate understandings. If you require support in ensuring your child attends school regularly, please reach out.

Does your child have a chance of being successful?

1 or 2 days a week doesn't seem much but.....

If your child misses....	That equals....	Which is.....	and over 13 years of schooling that's...	Which means the best your child might perform is ...
1 day per fortnight	20 Days per year	4 weeks per year	Nearly <u>1.5 years</u>	Equal to finishing in grade 11
1 day per week	40 Days	8 weeks	Over <u>2.5 years</u>	Equal to finishing in grade 10
2 days per week	80 Days	16 weeks per year	Over <u>5 years</u>	Equal to finishing in grade 7
3 days per week	120 Days per year	24 weeks per year	Nearly <u>8 years</u>	Equal to finishing at grade 4

EVERY DAY COUNTS!

Classroom Renovations

Over the past year we have been working on renovating our classroom environments with new cupboards and display boards. These renovations continue these holidays, with the Science/Art room undergoing a renovation. These renovations are part of a long-term plan to improve the functionality and aesthetics of our learning spaces.

2024 Enrolments

Inspired Learning • Inspired Future

We are still taking enrolments for 2024, particularly in our kindergarten classes. If your child, or someone you know, was born between 1 July 2019 and 30 June 2020, contact the school for an enrolment pack.

If you know your family is moving schools in 2024, please let the office know ASAP to guide our planning for next year.

Dance to the Stars

Inspired Learning • Inspired Future

School dance lessons are due to commence in Term 4. This is a friendly reminder that all permission slips and payments should be finalised before Friday 22 September. Thank you.

Holidays

Inspired Learning • Inspired Future

Finally, I wish all our students, families and staff a wonderfully relaxing and safe holiday break. Thank you for a great term and we look forward to welcoming everyone back on Tuesday 10 October.

Visual Arts

Inspired Learning • Inspired Future

Have a look at some of our amazingly talented students.

Picture ONE - the inspiration.

Picture TWO - the artists at work.

Picture THREE - the completed masterpieces.

WOW!!! Aren't they awesome?!

STEM

A huge thank you to the P&C for purchasing the BBC microbits. The Year 6 STEM extension students have had a great time programming these versatile computer chips. They have worked

collaboratively, sharing their achievements and what they have learnt with each other and created various games, songs and a light sensitive guitar!

Dates to Remember

FINDING YOUR BRAVE: EMPOWER YOUR CHILD TO FIND CALM AND COURAGE THROUGH ANXIETY

(Years 1-3) Monday, 2nd October @ 10.00am – 12.00pm

(Years 4-6) Tuesday 3rd October @ 10.00am – 12.00pm

Single – \$35 Conc/\$55 General

Women's Health & Wellbeing Services Group Room (Suite 7, Level 1 2232c Albany Hwy GOSNELLS WA)

THIS WORKSHOP IS DESIGNED FOR PRIMARY SCHOOL AGED CHILDREN (6-12 YEARS) TO HELP THEM MANAGE ANXIETY AND UNLOCK THEIR POTENTIAL

Is your child struggling with anxiety? Are you looking for ways to help them discover their inner strength and courage? Anxiety can be a difficult and overwhelming for both parents and children to navigate. This kids only workshop will empower your child to discover their "brave" through learning about how their brain works to keep them safe and develop strategies to find their calm.

WE WILL EXPLORE YOUR CHILD'S:

- Anxiety and YOUR child's brain
- Understanding unsafe vs. safe situations
- Distinguishing between being safe and being brave
- Recognising physical symptoms of anxiety
- Implementing practical strategies to overcome anxiety
- Encouraging open communication with parents

By attending this workshop, your child will gain valuable knowledge and strategies to manage anxiety, helping them to become more confident and resilient.

We are also running a SUPPORTING CHILDREN WITH ANXIETY workshop for parents, caregivers & educators on Wednesday, September 13th @ 10.00am – 12.00pm.

FACILITATOR – ELAINE MCCARRON

Elaine has over ten years' experience in primary education having worked in the UK and Australia with a focus on special educational needs and inclusion. She is passionate about enhancing the wellbeing and learning outcomes of all individuals. She is excited merging her passion for teaching and learning with counselling skills gained in 2019 upon completion of a Graduate Diploma. In her spare time, Elaine enjoys time spent with family and friends and listening to live music.

Qualifications: PGDip Counselling, PGDip Specific Learning Difficulties, PGC Special Educational Needs Coordination, PGC Primary Education, Bsc (Hons) Social Psychology

Women's Health & Wellbeing Services Group Room (Suite 7, Level 1 2232c Albany Hwy GOSNELLS WA)

A PRACTICAL WORKSHOP FOR PARENTS, CAREGIVERS, AND EDUCATORS

Parenting comes with the most rewarding, unpredictable, frustrating, crazy, and delightful moments, all which can happen before you have your morning coffee. Add anxiety to the mix and you can feel like you're lost in the woods and can't find your way out. If your child experiences anxiety, separation issues, or school refusal, or if bedtime or getting ready in the morning can be a nightmare, come along to learn some practical skills to support your child and yourself. Unravel the complexities of childhood anxiety and discover effective strategies to create a safe, nurturing environment for your child.

DO YOU KNOW OF A CHILD/CHILDREN EXPERIENCING ANXIETY, SEPERATION ISSUES, OR SCHOOL REFUSAL?

Join us for a transformative 2-hour workshop dedicated to helping you navigate the challenges of supporting children with anxiety. Explore practical tools and strategies that will empower you to create a secure, comforting space for your child, and learn how to manage their distress and big behaviours.

- Gain a deeper understanding of anxiety and how it presents in children
- Identify accommodating behaviours and learn new ways to respond
- Reduce family conflict and parental stress
- Enhance connection and safety between the child and the parent/caregiver
- Boost your confidence in managing your child's anxiety

We are also running a FINDING YOUR BRAVE workshop designed for primary school children (6-12 years) to help manage anxiety, unlock their potential and find their calm on October 2 @ 10.00am – 12.00pm (Years 1-3) and October 3 @ 10.00am – 12.00pm (Years 4-6)
