EAST HAMILTON HILL PRIMARY SCHOOL

FROM THE PRINCIPAL

OPEN NIGHT

Last Thursday we opened our school and classrooms to our community and what a brilliant night it was. The highlight for me was wandering through the classes and seeing students showing such immense pride in their work.

A huge thank you to the staff for putting in an incredible amount of work to showcase their students work and an equally huge thanks to parents, guardians and loved ones for attending. It epitomised the strong connection between school and community and the mutual trust and respect that has been developed over many years.

FACTION ATHLETICS CARNIVAL

What an incredible day we had at this years Annual School Faction Athletics Carnival! Our community came together for a mostly dry, fun-filled day that highlighted the CARE values of our school.

To see our students cheer on every single participant, regardless of whether they won their race or won their own individual challenge was something I felt immeasurable pride in. Well done to all who competed (students and parents), were awarded ribbons, won individual rewards or who just tried their best.

You are all legends and a special well done to Makuru on winning the day! To our dedicated P&C and hardworking staff, your efforts ensured that the carnival was a resounding success. Special thanks to Lucy Martin and Nikita Gabrielson for their incredible work behind the scenes and on the day. Our efforts now turn to the Interschool Athletics Carnival being held tomorrow (Thursday) where we are hosting this years event. Go East Hammy!

DANCE TO THE STARTS

So another term ends but on with the show. Next term our students will be turning to the stage as preparations for our night of nights, the annual 'Dance to the Stars' begins. Students from Pre-primary to Year 6 will be preparing throughout Term 4 in preparation for the show on Thursday, 5 December.

REPORTING TO PARENTS

The Department of Education is working to clarify the requirements for end-of-semester reports, aiming to reduce red tape and workload for staff by reviewing the current policy. As information comes to hand, East Hamilton Hill Primary School will, in consultation with our community through the School Board review our practice. If we identify possible changes to ensure we align with department policy, we will notify our community prior to this.

EARLY STUDENTS ON SCHOOL SITE

Recently, we've noticed an increase in students arriving at school before the designated school opening time which is 8:00am. While we appreciate the enthusiasm and commitment of our students, we want to ensure their safety and well-being by ensuring there are adequate measures in place to keep them safe. If parents and/or guardians need to drop their children off prior to our opening hours, *TheirCare* which is an Out of School Care facility operating on our site, are available to cater for your requirements from 6:15am. By working together, we can help make sure our school remains a safe and nurturing environment for all students. Should you have any questions or need further information, please contact the school office.

LIBRARY NEWS

We had a wonderful response to our first Scholastic Book Fair held in Week 6 and 7 of this term.

We sold \$2,983.00 worth of books and stationery and our school rewards came to \$759.00 which will go towards new library resources.

I wish to thank the school community in supporting this wonderful event. I also wish to thank fellow staff members for their help before and after school while the fair was operating and to our lovely admin ladies for sorting out the payment side of things.

Regards
Mrs Kerrie Thomi
Library Officer
