PAINT STORM PERFORMANCE

On the 14 October 2025, our students were treated to an unforgettable experience thanks to our wonderful Chaplain, Esther Maxwell, who organised the exciting Phil Doncon, Paint Storm performance.

Phil's performance combined live impressionist painting on a 10 metre canvas with humour, storytelling, breakdancing and high-energy music. Students were invited to participate throughout the show and were completely captivated by the energy and creativity on display.

Beyond the entertainment, Phil shared powerful messages about emotions, self-awareness and wellbeing. It was a fantastic opportunity for our students to learn, reflect and be inspired through the arts.

TALK MONEY INCURSION YEARS 4, 5 & 6

Our Year 4, 5 and 6 classes recently participated in the Talk Money Incursions, a series of interactive workshops focused on building financial understanding and confidence. These evidence-based workshops, delivered by trained facilitators through the Ecstra Foundation's Talk Money program, align with the Australian Curriculum and the National Consumer and Financial Literacy Framework.

Students explored the importance of budgeting, saving, earning and making informed financial choices. Developing early financial literacy is essential in preparing our young people for a financially responsible future.

A big thank you to Kat Simmons, who organised this valuable learning opportunity for our students.

DANCE TO THE STARS

Our Dance Program continues with tremendous enthusiasm and dedication from our students. It has been wonderful to see their confidence grow each week. Please save the date for Dance to the Stars on Wednesday, 10 December 2025 from 5:00 to 6:30pm. We look forward to celebrating their hard work and creativity.

PLANNING FOR 2026

We are currently in the early stages of planning for 2026. As enrolments continue to change, class structures and placements may need to adjust. Our teachers make thoughtful and informed decisions when placing students, considering academic needs, social dynamics, wellbeing and classroom balance.

We understand that families care deeply about their child's placement and we ask for your trust in this process. Our priority is to ensure that every child is placed in a setting where they can thrive. As such, we respectfully ask that parents do not contact us with class placement request, as many factors guide our decisions and changes are not always possible.

SCHOOL BOARD

Thank you to Pat Clifford, our School Board Chair. Pat's tenure on the Board is coming to an end and his affiliation with the school as a parent will conclude with the graduation of his son. His leadership has been invaluable and he has played a significant role guiding the school through building works, the appointment of principals and representing the school community with integrity.

We sincerely thank Pat for his commitment, his steady guidance and his genuine care for our school.

PPA AND PPB ASSEMBLY

Our talented Pre-Primary students delighted us on Friday as they shared their wisdom as Earth Representatives. Their important message reminded us all to reduce, reuse, recycle and to consider the fourth R, repurpose as part of caring for our planet.

Their performance highlighted the vital role we all play in protecting the environment and their enthusiasm for sustainability was inspiring.

We look forward to continuing our sustainability initiatives at the school and building on these into the future. Our students are leading the way and we are proud to support their commitment to saving the planet.

DEPUTY PRINCIPAL ANNOUNCEMENT

In case you missed the Connect notice, we are delighted to announce that Nikita Gabrielson has been appointed Deputy Principal. I am extremely pleased to continue working alongside her and we congratulate her on this well-deserved achievement.

PLANNING FOR 2026 - STUDENT MOVEMENTS

As we begin preparing for class structures in 2026, it is important for us to know if any families are planning to leave East Hamilton Hill Primary School at the end of this year.

If your child will not be returning in 2026, please contact the front office as soon as possible. Early notification helps us plan staffing, class placement and resources to ensure a smooth start to the new school year for all students.

END OF YEAR TEACHING AND REPORTING

Our teachers are working diligently to continue teaching, assessing and preparing end of year reports. This is a very busy period in the school year and we appreciate the professionalism and commitment our staff show in ensuring every student receives a comprehensive and accurate report of their progress.

Warm regards,

Sonya Roberts
